Around the City

The street car is becoming so familiar now that people scarcely bother to look at it. The freight attachment is very cute.

Rheumatism promptly driven from the blood with Dr. Shoop's Rheumatism Remedy. Don't waste time with common remedies. A tablet will surely tell a tale or liquid form. Sold by all dealers.

Thomas Oliver, the man charged with the Burns murder, will be again remanded. Chief Meenan is busy endeavoring to secure evidence.

Read the pain formula on a box of Pink Pain Tablets. Then ask your doctor if you are a beginner. Pink means congestion—blood pressure where. Dr. Shoop's Pink Pain Tablets clear up pain, woman's pain, pain anywhere. Try one, and see! 20 for 25c. Sold by all dealers.

On Monday (Thanksgiving Day) there will be quite a number of functions, including the supper by the ladies of Holy Trinity Church in the Opera House.

Tickling, tight coughs, can be surely and quickly banished with a prescription drugless aid as dispensing everywhere as Dr. Shoop's Cough Remedy. And it is so very, very different than common cough medicines. No opium, no chloroform, absolutely nothing harsh or drastic. It's the tender leaves of a hawthorn, lung healing mountain air gives the curative properties. Dr. Shoop's Cough Remedy. These leaves have the power to calm the most distressing cough and to soothe and heal the most sensitive, bronchial membrane. Mothers should, for safety's sake alone, at ways demand Dr. Shoop's. It can with perfect freedom be given to your youngest babies. Test it yourself! and see! Sold by all dealers.

The air is full of the names of candidates for the next Council and among those we have heard mentioned are Messrs J. C. Wainright and D. H. Macdonald in Ward Two.

LADY DEMONSTRATOR WANTED to take charge of a house to house demonstration for a well known line of goods. Apply at this office.

It isn't so difficult to strengthen a weak stomach if one goes at it correctly. And this is true of the heart and kidneys. The old fashioned way of dosing the stomach or stimulating the heart or kidneys is surely wrong. Dr. Shoop first pointed out this error. "Go to the weak on all organs of these organs," said he. Each inside organ has its controlling or "inside nerve." When these nerves fail then these organs must surely fail. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoop's Regenerative. A few doses' test will surely tell. Sold by all druggists.

Another Thanksgiving attraction will be the wrestling match between Jim White and Ferdinand Koch in the Rose Hall. It is rumored that Jimmy Davis will take on a well-known Strathcona barber for a few rounds. Oh, scissors!

The remains of Alexander Henderson of Stoney Plain, aged 11, who died on November 3rd last, were shipped to Manitoba from Wainright's undertaking rooms this afternoon.

A clergyman writes: "Preventives, those little Candy Cold Cure Tablets are working wonders in my parish." Preventives surely will check a cold, or the Grippe, in a very few hours. And Preventives are so safe and harmless. No quinine, nothing harsh nor sickening. Fine for feverish, restless children. Box of 48 at 25c. Sold by all dealers.

FOUND—ON WHITE AVENUE EAST on Sunday, lady's fawn coat. Owner may have same on applying at this office and paying for advt.

DOCTORS SAID CUT OFF

"The only thing I can do now is to take the finger completely off. It cannot otherwise be cured." So said one of the leading doctors of Toronto to Mr. W. C. Edwards, P.D.C.R.A.O.P., P.M.I.O.O.P., the well-known Fried's Society leader, of Peter Street, Toronto. Almost a year before, Mr. Edwards cut the middle finger of his left hand very badly and blood poison doctor had been treating him, but no good had resulted, and this was the final decision. A few days later, Mr. Edwards, from life-long mutilation which \$500 would not have compensated him for. He says: "The blood poison from the finger spread up my hand and arm and caused me terrible agony. After months' treatment the doctor said there was no cure, and amputation would have to take place if I intended to save the arm. My hand, at that time, was all swollen up and discolored, and I had to carry it in a sling. I left that doctor and consulted another. After a few weeks' treatment he also told me that operation would be necessary, and the finger would have to be amputated so that the bone could be saved. I went away to consider when I would have the operation performed, and met a friend who advised me to try Zam-Buk. That night I bathed the wound and put on some Zam-Buk. I got a little sleep for the first time for many nights. In the morning the wound was as if it had instead of the foul discharging as in the past. This was a healthy sign so I went on with the Zam-Buk. Well, to cut a long story short, in a few days I put away the sling and in a few weeks the finger was healed completely. To-day that finger is as sound as a bell and I owe it to Zam-Buk."
